

Network of Opportunity 101

The Network of Opportunity is a group whose purpose is to find and pass along leads and introductions to fellow members within the group.

Membership is available to business owners or decision makers of B2B businesses.

Membership is reserved for only one participating business specialty or group.

Cost: \$1500/year. No extra charge for breakfast, special events or bringing guests to meetings and events.

Requirements:

- Don't miss more than 4 meetings/year.
- Provide at least 12 referrals and/or introductions/year
- Have at least 20 house calls (meetings with members outside the Friday meetings)/year

You cannot solicit business from members, but they can ask you directly.
